

Developed for the harsh conditions in the Texas weather environment, this conditioner is a must for the show enthusiast. As a weekly conditioner, a daily conditioner or just to make your coat "feel MOIST". Your dogs will love it and so will you.

The product replaces the shine and luster of your dog's coat while intensifying colors. You can literally see the volume of the coat "grow" with the FIRST application. Conditioning without softening, Naked Care leaves the texture soft and natural, yet full bodied. There is no residue and the skin is soothed and healthy. Guard hairs are opened to moisture and to accept your normal conditioner.

All natural, no silicone, a totally Green product.

# NAKEDCARE FOR THE DOG WITH NOHAIR

## SATISFIED CUSTOMER QUOTES

Linda S - GSD Exhibitor/Breeder  
I could not have finished my young dog without it. I love this stuff.

My Shiba was very light on coat.  
With the Naked Care, under 6 different judges my male went WD and BOW, 3 regional specialties and Best in Sweepstakes. I could not have done it without Naked Care.  
Sandi S

It is the best de-tangler I have ever used.

Sally H KC GSD Judge, breeder and groomer

Does this stuff come in gallons. I can actually show this dog at the national if I use Naked Care.  
Cindy B -Breeder, Owner, Handler GSD's
